

Academic Couns(/8) General Policy Category:

## STUDENT RESPONSIBILITY FOR COURSE SELECTION

A student in a degree program must select courses in accordance with the published requirements. Many courses have prerequisites or require the approval of the Department. These requirements, and any enrolment limitations, should be noted carefully prior to registration. Substitutions for prescribed courses require the written approval of the Department and the Dean. Students registering in the Fall/Winter Session and intending to take second-term half-courses must register for those courses during the course registration period.
