Deadline dates for adding or dropping a course normally will be calculated according to the table below. If the deadline to drop a course falls on a Saturday, Sunday or Statutory Holiday, it will be extended to the next working day.

Once classes begin, a course may be added or dropped only with the joint approval of the Dean (or designate) of the Faculty in which the student is registered and the Chair (or designate) of the Department/School concerned.

A course that has been dropped by the last date specified for adding a course shall be expunged from the records. A course that has been dropped after the last date specified for adding a course but before the last date for dropping a course without academic penalty (or subsequently, if a petition is granted by the Dean) shall be recorded as "WDN."

Adding and Dropping Courses

A course that has not been dropped in accordance with the above regulations and that has not been completed satisfactorily by the student shall be recorded as "F."

Students in "W" accelerated language courses may transfer to the equivalent full year course with the permission of their Faculty prior to November 1.
