Progression: Professional Practice Collaborative Evaluation
Components of a professional practice course include practice, laboratory and/or simulated professional practice and written work**.** Professional practice courses are graded as:

Satisfactory (S) - Satisfactory performance in relation to the course goals

Unsatisfactory (U) - Unsatisfactory performance in any of the course goals

Needs Development (ND) - Used at midterm evaluation to identify performance in any of the course goals requiring focused attention

In order for students to achieve satisfactory professional practice performance, they are required to:
- Complete the Pre-Placement Requirements for professional practice

Unacceptable Professional Practice

Behaviors leading to unacceptable professional practice place students, the institution and/or its clients at risk. Examples include but are not limited to:

- Lack of judgment, knowledge or skill;
