in Double Majors or Double Minors that include modules offered by one of certain faculties such as Health Sciences or Information and Media Studies must register in that Faculty.

**The Degree Structure**

**The Modules**

There are four possible modules of study which may be entered after First Year:

- Honours Specialization (9.0 or more specified courses)
- Specialization (9.0 or more specified courses)
- Major (6.0 -7.0 specified courses)
- Minor (4.0 -5.0 specified courses)
- 

The modular degree structure affords the opportunity to combine various subjects from different departments and faculties. The chart below shows how modules can be combined in the three different types of degrees offered. The modules taken must fit within these degree structures. Departments, schools, faculties and affiliated university colleges may offer some or all of the above modules. See faculty and department listings for details. Combinations other than those listed below have not been approved; consequently, they may not be taken. Enrolment in some modules may be limited.

X (Essential Modules)

X (Additional Modules)

### The Honours Bachelor Degree - (A minimum of 20.0 Courses)

15.0 courses after first year, including at least an Honours Specialization or a Double Major, as follows:

- **Honours Specialization** module (9.0 or more)  
This may be combined with a Major module or a Minor module or option(s).
- **Major** module (6.0 -7.0) plus a **Major** module (6.0 -7.0) plus **option(s)** (3.0 - 1.0)

This combination requires **two** Major modules.

### The Bachelor Degree (Four-Year) - (A minimum of 20.0 Courses)

15.0 courses after first year including at least a Specialization module or a Major module, as follows:

- **Specialization** module (9.0 or more)  
This may be combined with a Major module or a Minor module or option(s).
- **Major** module (6.0 -7.0) plus a **Major** module (6.0 -7.0) plus **option(s)** (3.0 - 1.0)
- **Major** module (6.0 -7.0) plus **Minor(s)** modules(s) or **option(s)**.
- **Major** module (6.0 -7.0) plus **options**

### The Bachelor Degree (Three-Year) - (15.0 Courses)

10.0 courses after first year including at least a Major module or a Double Minor, as

follows:

- **Major** module (6.0 - 7.0) plus **option(s)**
- **Major** module (6.0 - 7.0) plus a **Minor** module (4.0-5.0)
- **Minor** module (4.0 - 5.0) plus a **Minor** module (4.0 - 5.0) plus **option(s)** (2.0 - 0)

This combination requires **two** Minor modules.

### **Notes on the Modules:**

#### **Module Combinations and Overlap**

Modules in the same discipline normally may not be combined: e.g., an Honours Specialization module in Sociology may not be combined with a Major module or a Minor module in Sociology. However, if a department offers modules with different titles, e.g., Sociology and Criminology, the possibility for combination is at the discretion of the department and faculty concerned.

Modules require specific courses, some of which may be common to other modules. Students who wish to combine modules containing the same courses must consult the department(s) and faculty concerned to see if such overlap is permitted.

**NOTE:** Some degrees limit the number of courses which may be taken in one subject.

#### **Cross Disciplinary**

A Cross-Disciplinary Major module consists of 6.0 senior courses (numbered 2000 - 4999) approved by the student's Dean's Office. Only available in the Bachelor of Arts Degree (Three-Year). Not offered in the Bachelor of Science Degree.

#### **Undeclared Status**

Second-year students who are taking prerequisite course(s) for a specific module may be registered temporarily in an Undeclared Status within a Bachelor Degree (Four Year) only. This status is available only in the Faculties of Arts and Humanities, Science, Social Science and the Affiliated University Colleges. Students progressing into third year must meet the requirements to enter a module. Transfer and Readmitted students who are admitted to an Undeclared Status must consult their Faculty regarding eligibility for specific modules. It is not possible to graduate with an Undeclared Three-

modules is limited and meeting the minimum requirements does not guarantee that students will be offered enrolment. Students intending to proceed to a four-year Honours degree should consider the degree requirements when selecting courses in first, second and third years. Four-year Honours degree programs are composed of not fewer than 20.0 successfully completed courses required for the degree. Students admitted with advanced standing to an Honours program are required to complete a minimum of 10.0 courses offered by The University of Western Ontario or one of the Affiliated University Colleges.

### **Honours Specialization Module**

#### **Admission Requirements**

Completion of first-year requirements, including at least 3.0 principal courses specified by the department. These principal courses must be completed with a minimum average of 70% and a minimum mark of 60% in each. The remaining first-year courses must be completed successfully. Enrolment in some modules may be limited. Modules may have higher admission requirements.

#### **Progression Requirements**

For progression in an Honours Specialization module, a student must earn a minimum cumulative modular average of 70%, a minimum mark of 60% in each course of the module and a passing grade in each option.

Higher progression standards may be required in some modules. Refer to individual department listings.

In exceptional circumstances, a student who earns a minimum cumulative modular average of 68%, with a minimum mark of 60% in each course of the module and a passing grade in each option, may be eligible for progression.

Higher progression standards may be required in some modules. Refer to individual department listings.

### **Graduation Requirements**

Students must meet all graduation requirements for the Bachelor Degree (Four-Year). For complete degree requirements, refer to the “Graduation Regulations” section.

### **Major Module**

the department with a minimum mark of 60% in each. Enrolment in some modules may be limited.

### **Progression Requirements**

For progression in a Major module, a student must meet the minimum Progression Requirements to continue at the University. See “Progression Requirements” section.

Higher progression standards may be required in some modules. Refer to individual department listings.

Full-

students and will be required to submit an application for admission by the applicable deadline.

2. Select courses and ensure such courses are recorded by the Registrar's Office by the appropriate deadline.
3. Pay or make arrangements to pay fees.

Failure to register during the designated time will result in a late registration fee.

**First-Year and Transfer Students** will be mailed registration information during the summer.

**Continuing Undergraduate Students** will complete an "Intent to Register" form in February. "Intent to Register" forms will be available on-line to students continuing in the same degree/program. The on-line form and further instructions will be available at <http://www.registrar.uwo.ca>

Students transferring between Western and its Affiliated University Colleges must indicate their intent on the February "Intent to Register" form.

Students in the **School of Graduate and Postdoctoral Studies** register for each of three terms.

**Special Students** wishing to register in 4000-level courses must obtain departmental permission for each course.

### **INTRAMURAL TRANSFERS TO BA, BSc AND BHSc PROGRAMS**

Students registered at Western in an undergraduate degree program leading to a degree other than the Bachelor of Arts, Bachelor of Science or Bachelor of Health Sciences who wish to transfer into a Three or Four-Year BA, BSc or BHSc program, must submit a request for transfer to the dean of the faculty in which registration is sought. Advanced standing for courses toward a BA, BSc or BHSc degree will be granted in keeping with the program requirements of these degrees at the discretion of the Dean.

Approval of the transfer request must include an Intent to Register form completed

### PROGRESSION REQUIREMENTS

**Progression Requirements** are designed to assist a student in improving their grades over time so that they may attain the required average for graduation or for entrance to and continuation in Honours or other specialized programs. Progression requirements establish the minimum requirements for a student to continue at the University but the expectation is that a student will aspire to excellence and seek to achieve results well above the minimum requirements for their program.

The **Adjudication Process** involves the assessment of a student's eligibility to progress at the University and/or enter or remain in a program. As part of the adjudication process, progression requirements will be checked twice a year during two adjudication periods: the May adjudication period based on marks obtained during the Fall/Winter term (for the September - December and January - April sessions) and the July-August adjudication period based on marks obtained during the Summer term (Intersession, Summer Evening and Summer Day sessions). Student records for those registered for the term are evaluated/adjudicated to ascertain if a student meets the progression requirements: (a) to remain in good standing at the University, (b) of their current program, and/or (c) for entrance to another proposed program in which she/he has indicated an *Intent to Register*.

**Average Calculation** for progression requirements includes both a term (sessional) and a cumulative average for all applicable courses. Average calculations INCLUDE failed grades. All grades below 50% are considered failures. Grades below 40% will be included in average calculations as 40%, grades from 40% to 49% will be included as the actual grade reported.

A **Course Attempt** is a course registration that is not dropped by the *Last day to drop* deadline date in the Undergraduate Sessional Dates in the Academic Calendar (the latest, including all revisions, will be found on the Office of the Registrar's Web site). The *Last day to drop* will vary according to type of course: full course, first-term half course, full-year half course, and second-term half course. A course that is dropped by the last date for adding a course will be removed from a student's record. A course that is dropped after the last date for adding a course but before the final day for dropping a course will be recorded as WDN (withdrawn) and is not considered a course attempt. A course that is dropped after the final day for dropping a course will

## Registration and Progression

*Repeated, No Credit* and will be excluded from cumulative average calculations used for progression requirements.

Progression decisions will result in an Academic Standing Status of:

**In Good Standing -**

A student who fails to meet the Conditions of Probation will be required to withdraw from the University for a minimum of twelve months.

**Required to Withdraw** - A student who does not satisfy the minimum *Progression Requirements* for continuation of study at UWO and is not eligible for probation, or who has exceeded the maximum number of failed courses allowed, 6.0 courses, will be *Required to Withdraw* from the University for a minimum of twelve months. A student who has been *Required to Withdraw* from the University and whose academic standing has been jeopardized by serious medical or personal difficulties, if they have sought academic accommodation in a timely manner, may apply for a Dean's Waiver of Progression Requirements. A student granted a Dean's Waiver of Progression Requirements must meet the specific conditions imposed in the Dean's Waiver. For a student who has been required to withdraw, readmission will be at the discretion of the appropriate Admissions Office. See READMISSION FOLLOWING UNSATISFACTORY PERFORMANCE section.

Should an appeal be made to Senate on the ruling of a Dean, such an appeal shall be considered on behalf of Senate by the Senate Review Board Academic (SRBA). See STUDENT ACADEMIC APPEALS section.

A student's failure to read a notification is not grounds to appeal academic probation or Required to Withdraw.

Two levels of progression requirements are used to assess a student's *Academic Standing Status*:

**Level 1 progression requirement:**

A minimum cumulative average of 55% must be obtained at the first adjudication period at which the student has completed a minimum of 3.0 course attempts. If a student has completed more than 3.0 courses at the time of adjudication, marks from all courses taken will be used to calculate the cumulative average. This minimum cumulative average must be maintained for each successive adjudication period until the student reaches Level 2\*.

Students who satisfy this requirement will be eligible to continue study In Good Standing. Students with a cumulative average from 50-54% will continue On Probation. Students with a cumulative average less than 50% will be Required to Withdraw.

**Level 2 progression requirement:**

A minimum cumulative average of 60% must be obtained at the first adjudication period at which the student has completed a minimum of 8.0 course attempts completed through Western University or through one of its Affiliated University Colleges. If a student has completed more than 8.0 courses at the time of adjudication, marks from all courses taken will be used to calculate the cumulative

average. This minimum cumulative average must be maintained for each successive adjudication period until the student graduates\*.

Students who satisfy this requirement will be eligible to continue study In Good Standing. Students with a cumulative average from 55-59% will continue On Probation. Students with a cumulative average less than 55% will be Required to Withdraw.

<b>Academic Standing Status</b>	<b>Progression Requirement</b>	<b>Required Cumulative Averages*</b>
In Good Standing	Level 1	> or = 55%
On Probation	Level 1	50 - 54%
Required to Withdraw	Level 1	< 50%
In Good Standing	Level 2	> or = 60%
On Probation	Level 2	55 - 59%
Required to Withdraw	Level 2	< 55%

Maximum number of failures allowed is 6.0 courses.

\* **NOTE:** averages required for graduation may differ. Averages required on an overall program and Area of Concentration will not be less than 60%, and will be higher for some three-year and four-year programs and all Honours programs.

Students registered in a Fall/Winter Session, who have applied to register for courses in subsequent Intersession or Summer Evening Session but whose ineligibility for further registration has not yet been determined by the first day of classes, will be permitted to complete any such course(s). Although credit will be retained for courses completed successfully, such credit will not alter ineligibility for further registration. Any such student, required to withdraw for failure to achieve the minimum progression requirements, will not become eligible for further registration before the Summer Day Session in the subsequent year.

### **Progression Following Readmission**

Progression following readmission will be according to Level 1 or Level 2 progression requirements or according to discretionary requirements established by the appropriate Admissions Office.

Students who fail to maintain satisfactory academic standing in any year subsequent to readmission usually will not be readmissible to the University for a second time.

### **Progression Following Admission with Transfer Credit (Advanced Standing)**

To qualify for a bachelor degree, a transfer student must obtain credit in a minimum of 5.0 senior courses in a 15.0 course degree program, or 10.0 courses in a four-year or an Honours program. These courses must be taken through Western or an Affiliated University College. Students admitted with transfer credit (advanced

standing) to a specific program of study must meet the progression and graduation requirements for that program. Progression following admission with transfer credit (advanced standing) will be normally according to Level 1 or Level 2 progression requirements, or according to discretionary requirements established by the appropriate Admissions Office.

### **Progression Requirements for Special Students**

A Special Student is one who has been awarded a first degree equivalent to at least a three-year degree at Western.

Applicants admitted under regulations governing Special Students will be subject to Level 2 progression requirements (i.e., a minimum cumulative average of 60%) at the first adjudication period at which the student has completed a minimum of 3.0 course attempts. Special Students will then be subject to Level 2 progression requirements for all subsequent adjudication periods. Students who fail to meet this standard will be Required to Withdraw. Readmission shall be at the discretion of the appropriate Admissions Office.

### **Course Residency Requirements**

1. Students fulfilling all the requirements for graduation in any bachelor degree program at Western must complete at least 10.0 courses (including 5.0 senior courses) at Western or one of its Affiliated University Colleges;

or

Transfer students admitted with transfer credit must complete a minimum of 5.0 senior courses in the 15.0-course degree programs or 10.0 courses in the four-year and Honours programs.

2. Not more than 5.0 courses may be taken at another university on a Letter of Permission to fulfill graduation requirements for any baccalaureate program at Western.

## **ELECTIVE COURSE CREDIT FOR ALL MUSIC COURSES**

At its meeting of May 20, 2005, Senate approved that all Music half (0.5) and full (1.0) credit courses will be accepted as elective options in all undergraduate degree programs that participate in New Academic Choices, subject to graduation requirements.

## **GUARANTEED ADMISSION OF MUSIC EDUCATION GRADUATES TO THE UNIVERSITY OF WESTERN ONTARIO FACULTY OF EDUCATION**

*Effective September 1, 2010, a student who graduates with a Bachelor of Music with Honours in Music Education degree and meets the criteria outlined below is assured acceptance into the Bachelor of Education program of the Faculty of Education at The University of Western Ontario*

For admission to the Faculty of Education, students must complete the degree requirements for the Bachelor of Music in Music Education AND must meet all other requirements for the specific program to which they are applying. Requirements for the Primary/Junior, Primary/Junior French as a Second Language, Junior/Intermediate, and Intermediate/Senior programs can be found on the Faculty of Education Web site.[ <http://www.edu.uwo.ca/programs/preservice-education/index.html> ]

### **Guaranteed Admission to the Faculty of Education**

Guaranteed admission to the Faculty of Education is offered for students in Vocal Music at the Junior/Intermediate (JI) level and for students in Vocal or Instrumental Music at the Intermediate/Senior (IS) level. (Students seeking admission to the Faculty of Education for the Primary/Junior level should follow the standard application process.) Guaranteed admission to the Faculty of Education requires a minimum cumulative weighted average of 75% in Music courses, a 70% average in courses applicable to the second teachable subject for those applying to the I/S program, and no mark below 60% in any course. Meeting these graduation requirements guarantees acceptance by the Faculty of Education at The University of Western Ontario, with Music as a teachable subject in either the JI or IS program. Students who fall short of these requirements may still meet the requirements for the Bachelor of Music with Honours in Music Education and may apply to the Faculty of Education on that basis, although admission is not guaranteed.
